

# Version 7

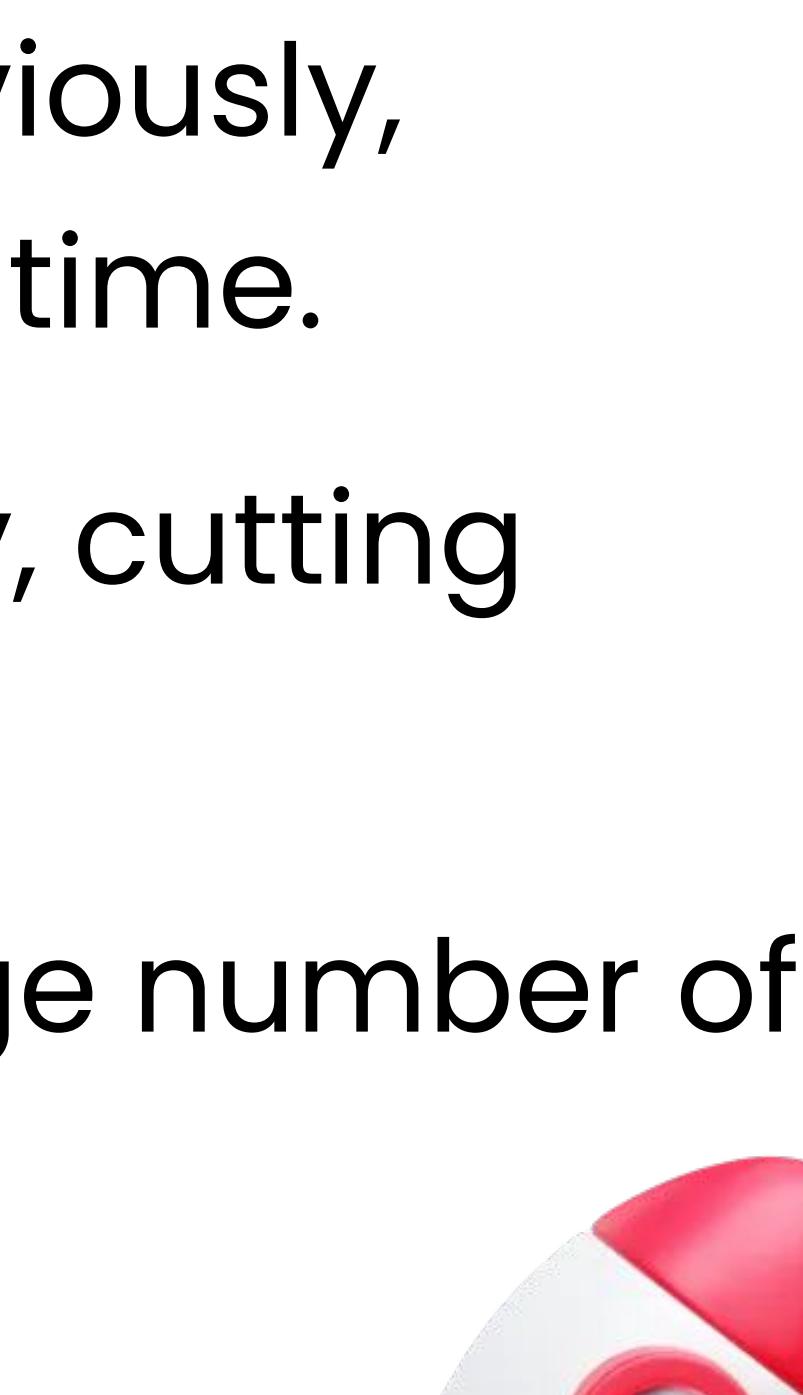

## The most awaited update!

Updated on: December 8, 2024

### ⭐ What's New

#### 📄 PDF Support

Now upload question papers, answer keys and answer sheets in PDF file format!

#### 📥 Bulk Import Students Data

Say good-bye to manual entry of students data. Say hello to bulk import of student data from spreadsheet files. Download Students list as CSV.

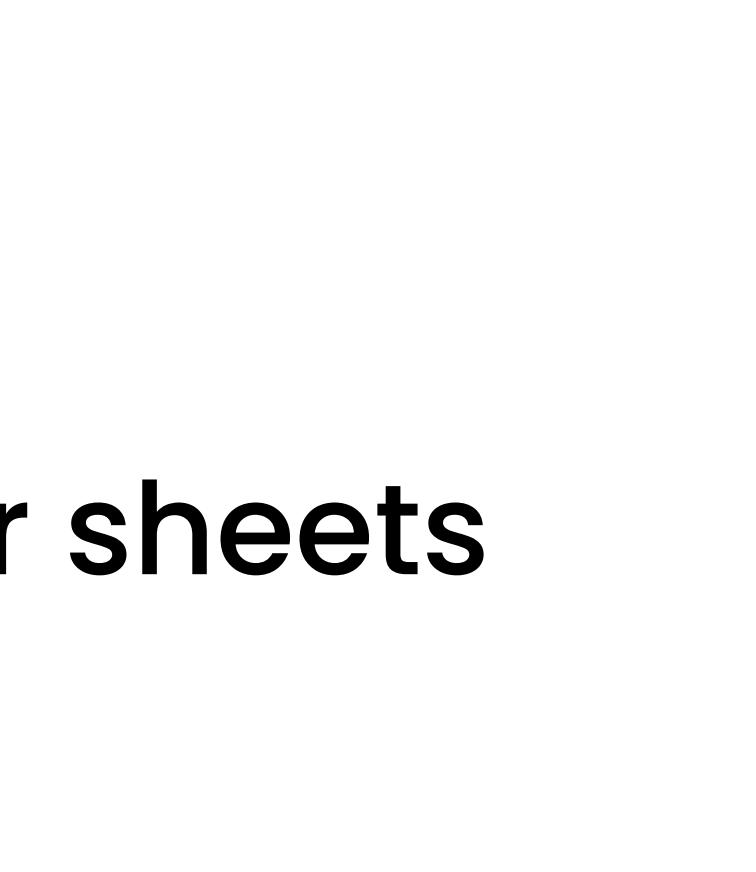

#### 🚀 Parallel Evaluation – 2x Faster Evaluation!

We've upgraded to Parallel Evaluation, doubling the speed of evaluating answer sheets! Previously, evaluations happened one student at a time.

Now, they are processed simultaneously, cutting evaluation time by **50%**

Enjoy quicker results, even for a very large number of answer sheets! 📄⚡

#### 🔄 No Lost Progress – Evaluation Keeps Going!

EvaluateAI now shows the progress of ongoing evaluations, even if you reload the page, close and reopen the tab, or exit the browser. Your progress is always retained and displayed seamlessly!
